This uniquely interdisciplinary program nurtures emerging storytelling voices in the art of script-based creative writing for stage, screen and cutting-edge media platforms. Students in the program are exposed to new forms of storytelling and encouraged to explore the possibilities of emerging technology. They learn to develop powerful

HANDS-ON LEARNING

Take foundational writing courses and then advance your skills through the study and practice of 21st century digital linear and non-linear storytelling designs. Each MFA student's final thesis project will be the completion of a full script for a feature film, a stage play, a television script, or other script-based media composition.

You Belong Here

As a Scriptwriting & Story Design MFA student, you'll be part of The Creative School, a dynamic faculty offering 26 degree programs in media, design and creative industries that are shaping the future of their fields. As a disrupter in innovative education, The Creative School is where you come to learn, transform and reimagine everything you thought was creative.
